Niskayuna Community Action Program

“... because it’s our community and we care.”

Who is N-CAP...

N-CAP is an all-volunteer, community coalition whose mission is to improve the quality of life for all those living, working or learning in the Town or School District of Niskayuna. N-CAP is you!!

N-CAP was formed in 1981 in response to a community need after several Niskayuna High School students died by suicide.

How We Help Niskayuna...

Niska-Day:

an annual community day including a parade, food, music, games, and fireworks

Community Forums:

discussions ranging from substance abuse awareness and prevention to internet safety

Niska-Game:

life-sized, monopoly-themed, fund-raising game played by middle school students

Drug-Free Communities Grant:

source of support for a substance abuse-free community

National Drug Take Back Days:

local police and DEA work with residents to safely dispose of medications

President's Volunteer Service Award:

acknowledgement of volunteerism and outstanding community commitment

Youth Leadership Programs:

empowering educational opportunities for students to continue to develop into positive members of the Niskayuna community

Scholarships and Grants:

financial and programming support for local youth and schools

Why We Need You...

Your voice and support are important! By working and learning together, we can help Niskayuna become even healthier and stronger.

There are many ways to get involved from becoming a member to volunteering at one of our events.
